Future Work Discussion

□ New application

TCO Development, as the leader in sustainability for electronics, has involved in a number of the initiatives and global organizations:

- UN One Planet (we are a member of IT SPP work stream)
- GEN
- ICLEI Europe / Ecoprocura
- Sustainable Purchasing Leadership Council (North America)
- Canada Public Procurement Council

TCO Development can be a good aid to the dynamic of the network and also provide the expertise experience in IT sustainability

From Sustainable Purchaser Engagement, Asia Region,TCO

Future Work Discussion

□ Priority discussion

- Certification of Green Procurer/Sustainable Procurer (Proposed by GPNM)
- Safe And Green Building Award And Certification(Proposed by GPNM);
- Asia Green Purchasing Awards (Proposed by GPNM)

.....

Promote green product and service development and green purchasing activities globally;

International sharing of information and expertise on green purchasing and environmentally friendly products and services;

Coordinate green purchasing and develop green products and services from a global perspective.

Mission

Thank you
